HEAD COACH

Tom Lichtenberg

Lichtenberg is enthusiastic about the Ohio Valley Conference.

"It's really tough each week to go up against the likes of Eastern and Western and Tennessee Tech. People don't realize how tough the OVC is. With the addition of Akron and Youngstown, the league will be even stronger."

The Eagle field boss, active in the Fellowship of Christian Athletes, is married to the former Sue Ann Reding of Mayfield. They have five children.

Following a 5-4-1 record in his opening season, one that saw his Eagles post a 3-2-1 record in the Ohio Valley Conference, Tom Lichtenberg is enthusiastic about the progress of his program.

"We had some good athletes last season, and a lot of them have graduated. But we have had two good recruiting years, and I am looking forward to what the future has to offer."

During the 1972 and 1973 seasons, Lichtenberg served as an MSU assistant under Roy Terry. After a five-year tenure at Iowa State he returned to assume the football coaching duties last season.

The 39-year-old is a graduate of the University of Louisville and has previously had head coaching positions at William Mason High School in Mason, Ohio, and at Purcell High School in Cincinnati.

During his five seasons at Iowa State he served in various capacities, including offensive coordinator for the Big-B's representative to the Hall of Fame Bowl in Birmingham, Ala.

"I wouldn't have come back here if I didn't have a love for Morehead State University. I know the people here want a football program, and when you want a football program, you want a winner. They didn't hire me to lose."

Lichtenberg feels that the energy of the coaching staff has been a tremendous plus.

"I've never been outworked by anyone. We'll probably make a few mistakes along the way, but we'll work hard to correct them. With the cooperation we are going to get, we might be on top of things sooner than people think."

Lichtenberg was encouraged by his second spring practice at MSU.

"I feel we are a much more solid football team than at this point last season. Our fundamentals are much stronger, and we have experienced players and depth at a lot of key positions."

The Racers

An opposing coach familiar with MSU's Jayne Stadium is Murray State's Mike Gottfried, a graduate of Morehead State. The Eagles moved to Breathitt Sports Center in the 1964 season, Gottfried's junior year, giving him two varsity playing seasons on the Eagle home turf. In addition he spent one season as an assistant on the Morehead State staff. In his two seasons at Murray State, the Racers and Eagles have split. Morehead State won 49-32 in 1979 in Morehead, while the Racers won 31-7 last season in Murray.

Defensive Keys—Three keys for the defense that led the Murray State Racers to the Ohio Valley Conference title were defensive end Lamar Williams (9), defensive tackle Kenny Woods (55), and defensive back Ronald Hopkins (48). The Morehead State offense managed only seven points and 247 yards against the Racers in Murray last season.

One of the Racers' leading offensive threats is junior running back Nick Nance (38). Although used only sparingly against the Eagles last season, Nance was one of the main sparks in the Murray State offensive attack over the latter part of the season. In last year's contest between the two clubs, the 5-11, 205-pounder ran for 25 yards in three carries and returned one kickoff 40 yards.

A two-time graduate of Marshall University, Burdette is a native of Mobile, Ala., and is a graduate of Huntington East High School.

He is married to the former Peggy Conrad of Huntington, W. Va.

Lichtenberg: "Marshall adds a lot to our football program both on and off the field. He is enthusiastic and has an excellent knowledge of the game.

"We know Marshall to be a class person who will be of tremendous value to us both during the season and in recruiting."

Stan Hixon

Running Backs

One of two new coaches on the Eagle staff this season is Stan Hixon of Lakeland, Fla.

A graduate of Iowa State University where he played under Lichtenberg, Hixon comes to MSU from coaching positions at Dowling High School in Des Moines, Iowa, and most recently the University of Richmond.

A three year letterman at Iowa State, Hixon is married to the former Becky Haughton of Waterloo, Iowa.

Lichtenberg: "We are very pleased to have Stan join the staff. He is an outstanding individual with a good knowledge of the game. His primary responsibility will be the running backs, a position he is very familiar with."

Van Hollaway

Defensive Coordinator

A two-sport performer at Iowa State, Van Hollaway is one of two members of the coaching staff to make the move to MSU from Iowa State with Lichtenberg.

The football program coordinator at ISU, Hollaway also served as defensive coordinator, and later as head coach at Bethany College in Kansas.

A football and track performer at Iowa State, he is married to the former Chris Gawith of Beloit, Kan. They have a son and a daughter.

Lichtenberg: "Van has a great amount of knowledge of the game. He has served as both a defensive coordinator and head coach on the college level, and that will help.

"As defensive coordinator last season, Van did a super job, as three shut-outs might indicate."

Lichtenberg: "Tom did an outstanding job with our defensive line last season. Our defense was one of our strengths, and we hope it will continue to be this season."

Steve Loney

Offensive Coordinator

The other member of the Iowa State staff to accompany Lichtenberg to MSU is Steve Loney, a 1974 ISU graduate.

A former football player and graduate assistant at Iowa State, Loney also served as offensive coordinator at Missouri Western College and as head coach at Leavenworth (Kan.) High School.

Loney, who will also coach the offensive line, is married to the former Terri Lynn Davidson of Joplin, Mo. They have a son and a daughter.

Lichtenberg: "Steve has held the position of offensive coordinator on the college level before, and we know he has great knowledge of the game.

"We feel that our offensive line will be a team strength. With Steve's knowledge, they should be even better."

THE STADIUM

Jayne Stadium the lighted 10,000-seat home of the Eagles, was constructed in 1964 to replace the 3,500-seat facility which formerly stood on the site of the Laughlin Health Building.

An eight-lane grasstex running track surrounds the Bermuda grass playing field. The quarter-mile oval was inaugurated in the spring of 1965 as the site of the OVC Spring Championships. The OVC meet returned to MSU in 1973 and 1980.

Dressing rooms, concession areas, restrooms, the football offices, a conference room and equipment storage rooms are located beneath the west grandstand. Additional dressing rooms, concession and restroom facilities are under the east grandstand.

Fans are admitted through five gates, all on the west side, and public parking is permitted south and west of the stadium. A restricted parking lot for University officials and guests is located in the stadium's northwest corner.

Atop the west grandstand is a three-tiered press box which provides facilities for up to 30 writers and statisticians, five radio stations and four film crews.

MOREHEAD STATE UNIVERSITY

Growth — in quality and quantity — is the continuing theme at Morehead State University.

From a teachers' college little known outside Kentucky, MSU has evolved into a regional university reaching out to serve Kentucky, Appalachia and the nation.

Morehead State stands today on a 500 acre campus in the foothills of Daniel Boone National Forest, an academic community known for its physical beauty, educational excellence and congenial spirit.

Statistically, the rise of MSU in the last two decades has been breath taking.

Enrollment has mushroomed more than 1,000 per cent to over 7,600 and upwards of \$80 million has been expended in capital construction.

The faculty and staff today number more than 900 persons and the fiscal outlay exceeds \$25 million yearly. More than 23,000 persons hold MSU degrees.

Physically, the University consists of more than 50 major structures. MSU also owns an agricultural complex north of Morehead, a nine-hole golf course east of the city and an outdoor education center on Cave Run Lake, west of Morehead.

In recent years, Morehead State's imaginative yet practical building program has produced a series of design awards from the Kentucky Society of Architects. Dominating MSU's campus skyline are the two tallest occupied structures in Eastern Kentucky, 19-story Cartmell Hall and 16-story Mignon Tower.

Academically, the University is comprised of six schools — Social Sciences, Education, Applied Sciences and Technology, Humanities, Sciences and Mathematics, and Business and Economics. They offer 145 programs of study from the associate degree through a joint doctoral degree. Almost 50 per cent of the faculty holds earned doctorates.

Administratively, the University operates under a 10-member Board of Regents with eight citizens appointed by the governor of Kentucky. The two other seats are held by elected faculty and student representatives who hold full voting rights. The administrative structure consists primarily of four bureaus — academic affairs, fiscal affairs, university and regional services and student affairs.

Dr. Morris L. Norfleet, who took office Jan. 1, 1977, is MSU's eighth president. A graduate of Purdue University and the University of Kentucky, he joined the faculty and administrative staff in 1962 as director of student teaching.

Athletically, the University sponsors a full program of intercollegiate sports for men and women. Intercollegiate competition at MSU is conducted in accordance with the rules and regulations of the Ohio Valley Conference, National Collegiate Athletic Association, the Kentucky Women's Intercollegiate Conference and the Association of Intercollegiate Athletics for Women. In addition, students may participate in almost 30 intramural activities. The University's athletic facilities include a 10,000-seat stadium with an eight-lane, 400-meter oval track, a 5,000-seat gymnasium, a nine-hole golf course, a 1,200-seat indoor track, an indoor swimming pool, 14 all-weather tennis courts, a 1,200-seat baseball park and a lighted soccer field.

ATHLETIC DIRECTOR

G.E. (Sonny) Moran

The foundation for any structure must be strong for the structure to withstand the elements. That's the way athletics at Morehead State University is built on the strong principles of Athletic Director Sonny Moran.

The 53-year-old Moran came to MSU in 1974 from the head basketball coaching position at West Virginia University. He served on the Mountaineer staff for nine seasons, the last five as head coach.

Moran began his coaching career in 1950 at Chamberlain Junior High School in Charleston, W. Va. After serving as head basketball coach and coaching numerous other sports at Elkview and Stonewall Jackson high schools, he became head coach and athletic director at Morris Harvey College in Charleston.

He posted a 148-74 career coaching record at Morris Harvey from 1957 through 1965 before moving to WVU. He posted a 205-141 college coaching record and a 274-156 total career record.

He was selected the college "Coach of the Year" in West Virginia in 1962 and was the West Virginia Intercollegiate Athletic Conference "Coach of the Year" in 1964. He served as coach of the South squad in the North-South College All-Star Basketball Game in Erie, Pa., in 1972.

His Morris Harvey teams won two WVIAC basketball championships and participated in the National Association of Intercollegiate Athletics national tournament in Kansas City in 1962 and 1964. His tennis teams at Morris Harvey also won conference titles in 1964 and 1965 and participated in the national tournament.

As an athlete, Moran was a standout baseball and basketball player at Morris Harvey.

A graduate of Stonewall Jackson High, he received his bachelor's degree in 1950 from Morris Harvey and a master's degree in education in 1957 from WVU.

Moran is married to the former Betty Morgan of Charleston. They have two daughters.

ASSISTANT ATHLETIC DIRECTOR

J.E. (Sonny) Allen

John E. (Sonny) Allen assumed the assistant athletic director's post after guiding the Eagles to an enviable 226-137 mark in 14 seasons as head baseball coach. His teams won four Ohio Valley Conference Eastern Division crowns and captured the conference title three times. He was selected OVC "Coach of the Year" in 1957, 1969 and 1973. His baseball teams at University Breckinridge School carved an outstanding 225-25 mark.

But Allen may also be remembered for his own athletic ability.

He played high school basketball at University Breckinridge School and was named to the all-district team five times, all-region team four times and all-state twice. He led Breck to the state title in 1946 and was named "Star of Stars" in the Annual Kentucky-Indiana All-Star Game that year.

Allen lettered four times at MSU and is the only Eagle ever to be a four-time all-conference player. He was All-Kentucky Intercollegiate Athletic Conference twice and two time All-Ohio Valley Conference.

He is the No. 2 scorer in Eagle basketball history with 1,923 points and held the all-time scoring record for a freshman until it was broken by Herbie Stamper in 1975-76.

Allen won all-America honors in 1950 and signed a professional basketball contract with the Indianapolis Olympians of the National Basketball Association. He signed a professional baseball contract with the Brooklyn Dodgers in 1946.

His coaching career began in 1955 and has included stints in golf, cross country and basketball.

He is a member of the Kentucky Basketball Hall of Fame. MSU's modern baseball park carries his name.

He is married to the former Merl Fair of Morehead. They have four children.

THE NICKNAME

It was in the fall of 1926 when J.M. Clayton, a Morehead businessman, announced he would sponsor a contest to select a nickname for the athletic teams at the town's new state college.

Miss Peaches Ellis, now Mrs. Jack Cecil of Morehead, submitted "Bald Eagles" as a name suggestion and won the \$10 first prize.

"Bald Eagles" was used for a few years but it eventually gave way to just "Eagles" for the sake of convenience.

A painting of the Morehead State University Bald Eagle was commissioned in 1970 and more than \$30,000 worth of prints have been sold to finance scholarships.

A popular attraction at home football and basketball games is the "MSU Fighting Eagle," a man-sized mascot resplendent in a colorful and detailed costume.

OHIO VALLEY CONFERENCE

In 1948 schools — Morehead State, Western Kentucky, Eastern Kentucky, Murray State and Louisville — withdrew from the Kentucky Intercollegiate Athletic Conference (KIAC) and were joined by Evansville in forming the original membership for the Ohio Valley Conference. They were joined shortly thereafter by Tennessee Tech and Marshall.

The membership has changed over the years. Middle Tennessee joined the league in 1952, East Tennessee in 1957 and Austin Peay in 1962. Louisville became an Independent in 1949 and Marshall and Evansville departed in 1952.

Most recently, East Tennessee withdrew, being replaced by the University of Akron and Youngstown State.

In 1955 the National Collegiate Athletic Association formally recognized the OVC as a major basketball conference, giving the league's champion an automatic bid to the post-season NCAA Tournament. At the time, the OVC was only the second six-team conference to obtain major status from the NCAA.

For many years the OVC has been represented in the nation's top holiday and post-season basketball tournaments. The league has also won recognition for its football program, having had representatives in such post-season classics for college division teams as the Refrigerator Bowl, the Tangerine Bowl and the Grantland Rice Bowl.

OVC champions have also been prominent in national minor sports tournaments in recent years, evidencing the strength of its programs in baseball, track, golf, tennis and cross country.

James Delany, former NCAA Investigator and a graduate of the University of North Carolina, is the league commissioner.

Delany, who operates the conference office in Nashville, Tenn., is the fourth commissioner in the OVC's 32-year history.
